CCHD Collection November 18-19

November 6, 2017

Dear Brothers and Sisters in Christ,

In the United States, more than 46 million people are living in poverty. The Catholic Campaign for Human Development (CCHD) is our Church's anti-poverty program to help them find hope and a way to a more secure life. Support offered to this collection reaches those living on the margins and gives them a hand up, not a hand out.

In areas all over the country, children live in poverty, creating undue stress and uncertainty in their lives. With your support of the CCHD Collection, CCHD national grants have enabled local organizations to provide community engagement to help reduce youth arrests and violence. This is but one example of how the CCHD carries out its mission around the United States.

Twenty-five percent of all donations to this annual collection remain in the Diocese. With funding your donations provided last year, nonprofit organizations in Fulton, Milan, Hannibal, Moberly and Jefferson City received grants for programs that will aid children and adults in their efforts to achieve self-sufficiency.

Your support of this collection makes a difference for people living in poverty across the United States and our local Diocese. Please prayerfully consider how you are able to help the CCHD this year. If you would like more information about the collection and those it supports, visit www.usccb.org/cchd/collection.

Thank you for joining us to work on the margins.

Sincerely yours in Christ,

Most Reverend John R. Gaydos
