A message from the Pastor regarding Confession...

After receiving feedback and comments from several parishioners, I am asking everyone to please use the "traditional line" system as you wait your turn to go to confession. Namely, please begin the confession line behind the 14th Station of the Cross, and line up along the wall toward the back of church. Of course if at any point you find it difficult to remain standing, you should be able to use the end of a pew near you to sit for a few moments and move as the line moves.

PLEASE DO NOT sit anywhere else in church and then come up for confession. This method inevitably has people "cutting in line" in front of people who have been waiting.

We always add extra confession times in Advent and Lent, but I am pleased to add a regular confession time on the 1st Sunday of each month:

REGULAR CONFESSION SCHEDULE:

3:30-4:40 p.m. Saturday
 9:15-10:15 a.m. 1st Sunday ****NEW****
 4:45-5:45 p.m. Tuesday

Peace, Fr. Dave

St. Patrick School Box Tops Program Needs YOU

We are about to begin a new school year and I am asking for your continued support of the Box Top for Education program. To kick things off during the month of August, Box Tops is offering a Bonus Program to help us earn more money for our school. In previous years, the Box Top program has raised more than \$700 annually for our school!

Here are the details for this month's Bonus Program:

Dates: August 1- 31, 2017

Where: Walmart

What to do: Buy 5 Box Tops for Education products from Walmart between 8-1 and 8-31 and scan your receipt using the Box Tops Bonus App - School Fund-raising (available in the App store or Google Play) - be sure to scan your receipt into the App AND snip the Box Tops from the product packages. The Box Tops should be turned in to your child's classroom at St. Patrick school or put in the designated box in the narthex of the church.

Impact: When you buy 5 Box Tops for Education items from Walmart during August and scan your receipt into the Box Tops Bonus App, our school earns an extra \$5 for each person that does this! That is at least a playground ball per person! If everyone does this, it would be a huge impact- potentially hundreds of additional dollars to buy supplies and equipment to benefit our school, curriculum, and students!

You can also register at boxtopsforeducation.com for printable and digital coupons and information on the box tops program and how it benefits our parish school.

Thank you so much for your continued participation in this program. Please contact me at cassa@mst.edu for any additional information. I look forward to sending in LOTS of Box Tops this year!

Happy Snipping, Cassie Elrod

One request - please cut the box tops out along the dotted lines; this will save our volunteers hours of work.
